COMMENTS:

PURSUANT TO THE KNOX COUNTY ZONING ORDINANCE, ARTICLE 6.30.01, THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND ZONES AFFECTED, OR IN THE COUNTY GENERALLY.

1. McFall Road has remained stable since the 1990s, with development limited to the sporadic construction of single family houses and a rezoning from A (Agricultural) to RA (Low Density Residential) in 2000.
2. The surrounding area has experienced a slight increase in residential density since the 1990s, including a 46-unit single family subdivision 0.25 miles to the west of the subject property that was completed in 2003.
3. A new building for Adrian Burnett Elementary School was completed in 2023 0.4 miles to the west of the subject property, expanding the school's capacity from 300 to 800 students.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSES OF THE APPLICABLE ZONING ORDINANCE.

1. The RA zone is intended to provide for areas with low population densities. It is compatible with the surrounding residential zoning, which includes properties zoned A, RA, and PR (Planned Residential) up to 5 du/ac.
2. The 0.86 acre property does not conform to the 1-acre minimum lot size of its current A zoning. A rezoning to RA would bring the property into compliance with the zoning code.
3. Rezoning should be based on the entire range of uses allowed within a zone to ensure that any development brought forth at a future time would be compatible with the surrounding land uses. The RA zone primarily allows residential and civic uses, which aligns with the existing residential character of the area.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AN AMENDMENT.

1. The RA zone is a low-density residential zone that allows single family houses by right and duplexes with use on review approval by the Planning Commission. These uses are consistent with the existing residential character. Up to three single family houses or two duplexes could be built on the property if it was rezoned to RA, but the property is constrained by a TVA easement that reduces the buildable area.
2. McFall Road is a substandard, unstriped local street with 13-15 ft of pavement width along the subject property's frontage, but it would be minimally affected by a development that could occur on a property this size under RA. Any subdivision that would occur on the property would be required to meet the standards of the Knoxville-Knox County Subdivision Regulations.

PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE COMPREHENSIVE PLAN OF KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The property is within the SR (Suburban Residential) place type, which lists the RA zone as directly related. The housing mix of the SR place type calls for single family houses on small lots and attached residential houses such as duplexes, both of which are permitted in the RA zone.
2. The recommended rezoning complies with the Comprehensive Plan's Implementation Policy 2, to ensure that new development is sensitive to existing community character. The lot sizes and allowable uses in the RA zone are consistent with the character of the surrounding area.
3. The subject property is within the Planned Growth Area of the Growth Policy Plan, which encourages a reasonably compact development pattern and a wide range of housing choices. The allowable lot sizes and housing types of the RA zone support the intent of the Planned Growth Area.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

Schools affected by this proposal: Adrian Burnett Elementary, Halls Middle, and Halls High.

If approved, this item will be forwarded to Knox County Commission for action on 9/21/2026. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal a Planning Commission decision in the County.

Public Notice and Community Engagement

Planning strives to provide community members with information about upcoming cases in a variety of ways. In addition to posting public notice signs, our agency encourages applicants to provide information and offer opportunities for dialogue related to their upcoming case(s). The contact information you provide in your application may be used for that purpose. We require applicants to acknowledge their role in this process.

Sign Posting and Removal

The Administrative Rules and Procedures of the Knoxville-Knox County Planning Commission require a sign to be posted on the property for each application subject to consideration by the Planning Commission.

Planning staff will post the required sign. If a replacement sign(s) is needed, the applicant is responsible for picking up the new sign(s) from Planning and will be charged \$10 for each replacement.

Location and Visibility

The sign must be posted on the nearest adjacent/frontage street and in a location clearly visible to vehicles traveling in either direction. If the property has more than one street frontage, the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

Timing

The sign(s) must be posted not less than 12 days prior to the scheduled Planning Commission public hearing and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted not less than 12 days prior to the next Planning Commission meeting. The applicant is responsible for removing the sign after the application has been acted upon by the Planning Commission.
