

MEMORANDUM

TO: Knoxville-Knox County Planning Commission

FROM: Samiul Haque, Planner

DATE: Monday, August 6, 2026

ITEM NOS.: Agenda Item # 46 / File # 8-D-26-OB

SUBJECT: Administrative removal of the previously approved planned district (C) designation from the subject property.

STAFF RECOMMENDATION:

Approve the request to remove the (C) designation from the property at 7805 Middlebrook Pike under Article 3.2.C of the City of Knoxville Zoning Ordinance to correct a map error.

BACKGROUND:

The (C) designation on the zoning map indicates the presence of a previously approved planned district per Article 1.4.G. This designation was applied upon the effective date of the current zoning ordinance on January 1, 2020. The purpose of this designation is to provide a visual cue that plans may have been approved for the parcel with this designation before adopting the current code.

Under Transition Rules, Article 1.4.G, all previously approved planned districts were to remain in effect, subject to all plans, regulations, and conditions of their approval after the current zoning code became effective. The code further states that changes to a previously approved planned district, or a request to remove a planned district, shall be made through the special use process.

In some instances, the (C) designation has been applied, but no plans were ever submitted or approved for the property. Therefore, there are no previous plans or conditions placed on those properties. In these instances, the city has determined that the planned district designation can be removed per Article 3.2.C, and the property can be developed according to the standards of the current zoning.

SUBJECT PROPERTY:

The subject parcel and the adjoining eastern parcel consisting the Millington Park condominium development were previously zoned RP-1 (Planned Residential) with a density up to 5 du/ac. A development plan (5-C-95-UR) was approved for the Millington Park condominium development, but the subject parcel was not included in the plans.

With the adoption of the City's new zoning ordinance, both of these parcels were reclassified to the RN-3 (General Residential Neighborhood) district with the (C) designation. However, there was no approved development plan associated with the subject parcel. Therefore, the (C) designation on this site is a mapping error and it can be removed under the Zoning Administrator's determination.
